### **EXTENDED WARRANTY COVERAGE**

The Extended Warranty extends all coverage, limitations, exclusions, terms and conditions specified in the ServerLIFT Limited Warranty (“Limited Warranty”) to the ServerLIFT (collectively “Equipment”) except for the Extended Coverage Variations listed below. The Extended Warranty also includes benefits in addition to those covered by extending the Limited Warranty which are specified in the Additional Benefits listed below.

For the Extended Warranty Periods listed below, unless superseded by the Limited Warranty, ServerLIFT Corporation (henceforth “ServerLIFT”) warrants that the Equipment:

1. Will be free from breakdowns in mechanical systems and operations.

### **ADDITIONAL BENEFITS**

The Extended Warranty includes the following exclusive benefits that are not included in the Limited Warranty coverage:

1. Purchasing an Extended Warranty during the first thirty days of the Limited Warranty Period makes additional Extended Warranties available (i.e. allows for the continued extension of the Limited Warranty beyond its one year period).<sup>1</sup>
2. Term-End Preventative Maintenance & Service. This service will be performed near the end of each Extended Warranty period by an approved ServerLIFT technician and includes:
  - Equipment diagnostics
  - General system tune-up
3. Preferred pricing on replacement or spare parts, the costs of which would not be covered under the Limited Warranty.
4. Labor costs coverage for all warranty repairs.

<sup>1</sup> If an Extended Warranty is desired and one was not purchased during the first 30 days of the Limited Warranty Period, a Warranty Reinstatement Fee is applicable and includes an Equipment Inspection and Re-Certification visit by a ServerLIFT technician.

## **EXTENDED WARRANTY PERIODS**

Extended Warranty Periods are available in three, or five year terms. ServerLIFT reserves the right to limit or decline renewal of extended service and warranty coverage at any time.
